

DATA SHEET „OYSTER® TV“ – 19,5" / 49,5 CM

The LED panel displays show crystal-clear images with radiant colours.

The high contrast ratio ensures top-quality image quality even in recreational vehicles, vans or camper trailers. The integrated HD tuner is compatible with DVB-S2 and DVB-T2 HD/H.265**.

Using the USB ports, you can record ongoing programmes on an external hard disk for time-shifted playback. Of course, you can always record your favourite programme.

Oyster® TV
